At a prior City Council meeting the attached Motion (Ridley-Thomas/Reyes) and amending Motion (Ridley-Thomas/Holden) concerning the "Naming Neighborhoods Project" and the official name designation of various bound by certain streets located in Council District Eight were adopted (11-26-02, Item 37, C.F.: 01-1874). For over a year, the Eight District Empowerment Congress worked on the "Naming Neighborhoods Project" to identify and appropriately name the unique communities found within its membership area.

Prior to Council approving the community names and identified boundaries, a verbal amending Motion (Ridley-Thomas/Holden) was adopted by Council deleting the designation of an area that was recommended to be named Crenshaw Manor. Subsequent to this Council action, the stakeholders in the area have continued to express their support of the designation of the Crenshaw Manor community which is mainly located in Council District Ten, while the Northwest intersection of Crenshaw Boulevard and Martin Luther King, Jr. Ave is in Council District Eight.

I THEREFORE MOVE that Council AMEND the Motion (Ridley-Thomas/Reyes) to ADD the area designated as Crenshaw Manor, given that the stakeholders in the area support the subject name designation of the area bound by:

- Martin Luther King, Jr. Boulevard, from Chesapeake Avenue to Crenshaw Boulevard;
- Exposition Boulevard, from Chesapeake Avenue to Crenshaw Boulevard;
- Crenshaw Boulevard, from Exposition Boulevard to Martin Luther King, Jr. Boulevard; and
- Chesapeake Avenue, from Martin Luther King, Jr. Boulevard to Exposition Boulevard.

I FURTHER MOVE that the Department of Transportation be directed to:

1. Install, within 90 days, official City of Los Angeles community signs, identify the aforementioned community, in the general vicinity of the above mentioned locations;

2. Remove any existing City of Los Angeles community signs in these areas and place them with the appropriate signs designating the newly adopted boundaries; and

MOTION EDUCATION & NEIGHBORHOODS

For over one year, the Eighth District Empowerment Congress has been working on the "Naming Neighborhoods Project" to identify and appropriately name the unique communities found within its membership area. Frequently, the diverse and dynamic characteristics of the individual neighborhoods are cast aside as an entire area of the City of Los Angeles is deemed "South Central". By properly identifying the existing communities throughout the area, the Empowerment Congress members have sought to instill a feeling of community pride and foster a greater sense of community empowerment.

Beginning with a focus group at the Hebrew Union College in June 2000, Empowerment Congress members have contributed countless hours of dedicated work towards reaching a consensus on neighborhood names and boundaries. Each Neighborhood Development Council within the Empowerment Congress established a Naming Committee to oversee the development and implementation of a community outreach plan to bring together the various stakeholders within each neighborhood. Through extensive research, a meeting with an urban historian, and numerous community meetings and dialogues, the Empowerment Congress has completed the second phase of the "Naming Neighborhoods Project". The two initial phases of the project, outlining 16 unique neighborhoods, were submitted by the Empowerment Congress and formally adopted by the City Council in October 2001 and February 2002, respectively (C.F. #01-1874). The final phase is also now complete and has been submitted by the Empowerment Congress for ratification by the City Council.

According to the Motion, for over one year, the Eighth District Empowerment Congress has been working aggressively on the "Naming Neighborhoods Project" to identify and appropriately name the unique communities found within its membership area. Frequently, the diverse and dynamic characteristics of the individual neighborhoods are cast aside as an entire area of the City of Los Angeles is deemed "South Central". By properly identifying the existing communities throughout the area, the Empowerment Congress members have sought to instill a feeling of community pride and foster a greater sense of community empowerment.

Beginning with a focus group at the Hebrew Union College in June 2000, Empowerment Congress members have contributed countless hours of dedicated work towards reaching a consensus on neighborhood names and boundaries. Each Neighborhood Development Council within the Empowerment Congress established a Naming Committee to oversee the development and implementation of a community outreach plan to bring together the various stakeholders within each neighborhood. Through extensive research, a meeting with an urban historian, and numerous community meetings and dialogues, the Empowerment Congress has completed the initial phase of the "Naming Neighborhoods Project" with several additional communities to be completed shortly.
