Dear Mr. *Edmond* Yew:

My office is requesting that you begin the necessary work to extend the permit for the temporary closure of La Punta Drive westerly of Quebec Drive (C.F. 02-1043). The current extension is valid until December 21, 2009.

I found that there was substantial evidence of serious and continual criminal activity in the street prior to the closure. Since that time, the temporary closure of the street has resulted in fewer complaints and calls for police service, and the continuation of the closure will assist in preventing any recurrence.

The closure does not substantially adversely affect traffic flow, safety on adjacent streets or in the surrounding neighborhoods, the operation of emergency vehicles, the performance of municipal or public utility services, or the delivery of freight by commercial vehicles. In addition, the street is a cul-de-sac and has not been designated as a through highway or arterial street.

Thank you for your assistance in extending the closure of La Punta Drive westerly of Quebec Drive (C.F. 02-1043) for another 18 month period from December 21, 2009 through June 21, 2011.

Sincerely,

TOM LABONGE

Dear Mr. Yew:

I am writing in support of the eighteen-month renewal of the La Punta Gate permit. Since the gate's installation, incidents of graffiti on the guardrail and on the retaining wall, calls for police service to residential or vehicle break-ins, and congregating gang members at the end of the cul-de-sac, have continued to be at a zero percentage rate of occurrence. Prior to the gate's installation in 2001, the police responded to the vicinity on a weekly basis. The continued benefits of the gate installation are highly desired.

Please extend the permit for the La Punta Gate for another eighteen-month period, December 21, 2009, through June 21, 2011.

Very Truly Yours,
