

ORDINANCE NO. _____

An ordinance amending Section 12.04 of the Los Angeles Municipal Code by amending the zoning map.

THE PEOPLE OF THE CITY OF LOS ANGELES DO ORDAIN AS FOLLOWS:

Section _____. Section 12.04 of the Los Angeles municipal Code is hereby amended by changing the zone classifications of property shown upon a portion of the Zoning Map incorporated therein and made a part of Article 2, Chapter 1 of the LAMC, so that such portion of the Zoning Map shall conform to the zoning on the map attached hereto and incorporated herein by this reference.

(Q) QUALIFIED CONDITIONS OF APPROVAL

Pursuant to Section 12.32 G of the Municipal Code, the following limitations are hereby imposed upon the use of the subject property, subject to the "Q" Qualified classification.

A. Entitlement Conditions

1. **Site Plan.** The use and development of the property shall be in substantial conformance with the plans submitted with the application and marked **Exhibit A**, dated **September 16, 2015** and **February 8, 2016**, and attached to the administrative file. Prior to the issuance of building permits, detailed development plans that show compliance with all conditions of approval, including complete landscape and irrigation plans, shall be submitted to the Department of City Planning Department for review. Minor deviations may be allowed in order to comply with provisions of the Municipal Code, the subject conditions, and the intent of the subject permit authorization.
2. **Use.** The property shall comply with the use, restrictions/limitations, and area provisions of the RAS4 Zone, pursuant to LAMC Section 12.11.5, unless modified by herein conditions or subsequent action.
3. **Height.** The building shall be limited to a height of 49 feet, 10 inches. Any structures on the roof, such as air conditioning units and other equipment, shall be fully screened from view of any abutting properties.
4. **Floor Area Ratio (FAR).** FAR shall not exceed 2.71:1.
5. **Residential Density.** No more than 94 guest rooms shall be constructed on the property.
6. **Driveway.** The site design shall be limited to one ingress and egress driveway along Riverside Drive, via the existing driveway located on the property immediately west of the project site at 12840 W. Riverside Drive, which is under common ownership with the subject property. A Community Driveway affidavit shall be recorded in a manner satisfactory to the Department of Building and Safety prior to issuance of building permits.
7. **Parking.** Vehicle parking shall be provided consistent with LAMC Section 12.21 A.4. Up to ten percent of the required automobile parking may be replaced with bicycle parking. Pursuant to LAMC Section 12.21 A.4 and the ten percent replacement of automobile parking with bicycle parking, the project need not provide more than 54 parking spaces. Twenty percent (20%) of the total number of parking spaces provided shall be wired for compatibility with an Electric Vehicle (EV) Charging System which is listed by a nationally recognized testing laboratory (NRTL).
8. **Bicycle Parking.** Bicycle parking shall be provided pursuant to LAMC Sections 12.21.A.4 and 12.21.A.16. A minimum of 10 bicycle parking spaces shall be provided on site including short-term and long-term spaces for the hotel use.
9. **Landscape Plan.** All open areas not used for buildings, driveways, parking areas, recreational facilities or walks shall be attractively landscaped and maintained in accordance with a landscape plan, including an automatic irrigation plan, prepared by a licensed landscape architect to the satisfaction of the Department of City Planning Department. The landscape plan shall be in compliance with the landscape provisions of the RIO District, Section 13.17 of the LAMC. No trash or recycling areas shall be located within a required landscaped setback.

10. **Lighting.** Outdoor lighting shall be designed and installed with shielding, such that the light source cannot be seen from adjacent properties, the public right-of-way, nor from above.
11. **Building Materials.** A note shall be added to the Project Elevations to indicate that the any building materials consisting of metal shall be of a non-reflective material.
12. **Building Color Scheme.** The project color scheme shall be in substantial conformance with the rendering marked Exhibit B, dated February 8, 2016, and attached to the administrative file. The color scheme shall be carried across all sides of the building.
13. **Wall.** The concrete masonry unit (CMU) wall facing the office use located directly east of the project site shall be covered with clinging vines or screened by vegetation capable of spreading over the entire wall.

B. Environmental Conditions (ENV-2015-3597-MND)

14. **Aesthetics (Landscape Plan).** All landscaped areas shall be maintained in accordance with a landscape plan, including an automatic irrigation plan, prepared by a licensed landscape architect in accordance with LAMC Sections 12.40 and 12.41. The final landscape plan shall be reviewed and approved by the City of Los Angeles Department of City Planning during the building permit process.
15. **Air Filtration.** An air filtration system shall be installed and maintained with filters meeting or exceeding the ASHRAE Standard 52.2 Minimum Efficiency Reporting Value (MERV) of 12, to the satisfaction of the Department of Building and Safety.
16. **Habitat Modification (Nesting Native Birds, Non-Hillside or Urban Areas).**
 - a. Proposed project activities (including disturbances to native and non-native vegetation, structures and substrates) should take place outside of the breeding bird season which generally runs from March 1- August 31 (as early as February 1 for raptors) to avoid take (including disturbances which would cause abandonment of active nests containing eggs and/or young). Take means to hunt, pursue, catch, capture, or kill, or attempt to hunt, pursue, catch, capture or kill (Fish and Game Code Section 86).
 - b. If project activities cannot feasibly avoid the breeding bird season, beginning thirty days prior to the disturbance of suitable nesting habitat, the applicant shall:
 - i. Arrange for weekly bird surveys to detect any protected native birds in the habitat to be removed and any other such habitat within properties adjacent to the project site, as access to adjacent areas allows. The surveys shall be conducted by a qualified biologist with experience in conducting breeding bird surveys. The surveys shall continue on a weekly basis with the last survey being conducted no more than 3 days prior to the initiation of clearance/construction work.
 - ii. If a protected native bird is found, the applicant shall delay all clearance/construction disturbance activities within 300 feet of suitable nesting habitat for the observed protected bird species until August 31.
 - iii. Alternatively, the Qualified Biologist could continue the surveys in order to locate any nests. If an active nest is located, clearing and construction within 300 feet of the nest or as determined by a qualified biological monitor, shall be postponed until the nest is vacated and juveniles have fledged and when there is no evidence of a second attempt at nesting. The buffer zone from the nest

shall be established in the field with flagging and stakes. Construction personnel shall be instructed on the sensitivity of the area.

- iv. The applicant shall record the results of the recommended protective measures described above to document compliance with applicable State and Federal laws pertaining to the protection of native birds. Such record shall be submitted and received into the case file for the associated discretionary action permitting the project.

17. Tree Removal (Non-Protected Trees).

- a. Prior to the issuance of any permit, a plot plan shall be prepared indicating the location, size, type, and general condition of all existing trees on the site and within the adjacent public right(s)-of-way.
- b. All significant (8-inch or greater trunk diameter, or cumulative trunk diameter if multi-trunked, as measured 54 inches above the ground) non-protected trees on the site proposed for removal shall be replaced at a 1:1 ratio with a minimum 24-inch box tree. Net, new trees, located within the parkway of the adjacent public right(s)-of-way, may be counted toward replacement tree requirements.
- c. Removal or planting of any tree in the public right-of-way requires approval of the Board of Public Works. Contact Urban Forestry Division at: 213-847-3077. All trees in the public right-of-way shall be provided per the current standards of the Urban Forestry Division, Bureau of Street Services, Department of Public Works.

18. Geotechnical Report.

- a. Prior to issuance of grading or building permits, the applicant shall submit a geotechnical report, prepared by a registered civil engineer or certified engineering geologist, to the Department of Building and Safety, for review and approval. The geotechnical report shall assess potential consequences of any soil strength loss, estimate of settlement, lateral movement or reduction in foundation soil-bearing capacity, and discuss mitigation measures that may include building design consideration. Building design considerations shall include, but are not limited to: ground stabilization, selection of appropriate foundation type and depths, selection of appropriate structural systems to accommodate anticipated displacements or any combination of these measures.
- b. The project shall comply with the conditions contained within the Department of Building and Safety's Geology and Soils Report Approval Letter for the proposed project, and as it may be subsequently amended or modified.

19. Increased Noise Levels (Demolition, Grading, and Construction Activities).

- a. Construction and demolition shall be restricted to the hours of 7:00 am to 6:00 pm Monday through Friday, and 8:00 am to 6:00 pm on Saturday.
- b. Demolition and construction activities shall be scheduled so as to avoid operating several pieces of equipment simultaneously, which causes high noise levels.
- c. The project contractor shall use power construction equipment with state-of-the-art noise shielding and muffling devices.

20. Severe Noise Levels (Residential Fronting on Major or Secondary Highway, or adjacent to a Freeway).

- a. All exterior windows having a line of sight of a Major or Secondary Highway shall be constructed with double-pane glass. All non-window portions of walls having a line of sight of a Major or Secondary Highway shall use exterior wall construction which provides a Sound Transmission Class (STC) value of 50, as determined in accordance with ASTM E90 and ASTM E413, or any amendment thereto.
- b. The applicant, as an alternative, may retain an acoustical engineer to submit evidence, along with the application for a building permit, any alternative means of sound

insulation sufficient to mitigate interior noise levels below a CNEL of 45 dBA in any habitable room.

21. **Public Services (Fire).** The following recommendations of the Fire Department relative to fire safety shall be incorporated into the building plans, which includes the submittal of a plot plan for approval by the Fire Department either prior to the recordation of a final map or the approval of a building permit. The plot plan shall include the following minimum design features: fire lanes, where required, shall be a minimum of 20 feet in width; all structures must be within 300 feet of an approved fire hydrant, and entrances to any dwelling unit or guest room shall not be more than 150 feet in distance in horizontal travel from the edge of the roadway of an improved street or approved fire lane.
22. **Public Services (Police – Demolition/Construction Sites).** Temporary construction fencing shall be placed along the periphery of the active construction areas to screen as much of the construction activity from view at the local street level and to keep unpermitted persons from entering the construction area.
23. **Public Services (Police).** The plans shall incorporate the design guidelines relative to security, semi-public and private spaces, which may include but not be limited to access control to building, secured parking facilities, walls/fences with key systems, well-illuminated public and semi-public space designed with a minimum of dead space to eliminate areas of concealment, location of toilet facilities or building entrances in high-foot traffic areas, and provision of security guard patrol throughout the project site if needed. Please refer to "Design Out Crime Guidelines: Crime Prevention Through Environmental Design", published by the Los Angeles Police Department. Contact the Community Relations Division, located at 100 W. 1st Street, #250, Los Angeles, CA 90012; (213) 486-6000. These measures shall be approved by the Police Department prior to the issuance of building permits.
24. **Public Services (Construction Activity Near Schools).**
 - a. The developer shall install appropriate traffic signs around the site to ensure pedestrian and vehicle safety.
 - b. The developer and contractors shall maintain ongoing contact with the administrator of Riverside Drive Elementary School. The administrative offices shall be contacted when demolition, grading and construction activity begins on the project site so that students and their parents will know when such activities are to occur. The developer shall obtain school walk and bus routes to the schools from either the administrators or from the LAUSD's Transportation Branch (323)342-1400 and guarantee that safe and convenient pedestrian and bus routes to the school be maintained.

C. Administrative Conditions

24. **Final Plans.** Prior to the issuance of any building permits for the Project by the Department of Building and Safety, the applicant shall submit all final construction plans that are awaiting issuance of a building permit by the Department of Building and Safety for final review and approval by the Department of City Planning. All plans that are awaiting issuance of a building permit by the Department of Building and Safety shall be stamped by Department of City Planning staff "Final Plans". A copy of the Final Plans, supplied by the applicant, shall be retained in the subject case file.
25. **Notations on Plans.** Plans submitted to the Department of Building and Safety, for the purpose of processing a building permit application shall include all of the Conditions of

Approval herein attached as a cover sheet, and shall include any modifications or notations required herein.

26. **Approval, Verification and Submittals.** Copies of any approvals, guarantees or verification of consultations, review of approval, plans, etc., as may be required by the subject conditions, shall be provided to the Department of City Planning prior to clearance of any building permits, for placement in the subject file.
27. **Code Compliance.** Use, area, height, and yard regulations of the zone classification of the subject property shall be complied with, except where granted conditions differ herein.
28. **Department of Building and Safety.** The granting of this determination by the Director of Planning does not in any way indicate full compliance with applicable provisions of the Los Angeles Municipal Code Chapter IX (Building Code). Any corrections and/or modifications to plans made subsequent to this determination by a Department of Building and Safety Plan Check Engineer that affect any part of the exterior design or appearance of the Project as approved by the Director, and which are deemed necessary by the Department of Building and Safety for Building Code compliance, shall require a referral of the revised plans back to the Department of City Planning for additional review and sign-off prior to the issuance of any permit in connection with those plans.
29. **Definition.** Any agencies, public officials or legislation referenced in these conditions shall mean those agencies, public officials, legislation or their successors, designees or amendment to any legislation.
30. **Enforcement.** Compliance with these conditions and the intent of these conditions shall be to the satisfaction of the Department of City Planning.
31. **Expiration.** In the event that this grant is not utilized within six years of its effective date (the day following the last day that an appeal may be filed), the grant shall be considered null and void. Issuance of a building permit, and the initiation of, and diligent continuation of, construction activity shall constitute utilization for the purposes of this grant.
32. **Covenant.** Prior to the issuance of any permits relative to this matter, an agreement concerning all of the information contained in these conditions shall be recorded by the property owner in the County Recorder's Office. The agreement shall run with the land and shall be binding on any subsequent owners, heir, or assigns. Further, the agreement must be submitted to the Planning Department for approval before being recorded. After recordation, a Certified Copy bearing the Recorder's number and date must be given to the City Planning Department for attachment to the subject file.
33. **Mitigation Monitoring.** Pursuant to California State Public Resources Code Section 21081.6 and the California Environmental Quality Act, the applicant and any future owners, successors, heirs or assigns shall provide the Planning Department with status reports for assessing and ensuring the efficacy of the mitigation measures (environmental conditions) required herein.
 - a. Within 30 days of the effective date of this land use entitlement and prior to any Planning Department clearance of the conditions of approval contained herein, the applicant shall file a Mitigation Monitoring and Reporting Program (MMRP) in a manner satisfactory to the Planning Department which defines specific reporting and/or monitoring requirements to be enforced during Project implementation. Each environmental condition shall be identified as to the responsible mitigation monitor(s),

the applicable enforcement agency, the applicable monitoring agency and applicable phase of Project implementation as follows:

- i. Pre-construction (prior to issuance of a building permit);
- ii. Construction (prior to certificate of occupancy); and
- iii. Post-construction / maintenance (post-issuance of certificate of occupancy).

In some cases, a specific mitigation measure may require compliance monitoring during more than one phase of Project implementation. Such measures shall be noted within the discussion of the specific mitigation measure in the MMRP.

- b. The applicant shall demonstrate compliance with each mitigation measure in a written report submitted to the Planning Department and the applicable enforcement agency prior to issuance of a building permit or certificate of occupancy, and, as applicable, provide periodic status reports to the Planning Department regarding compliance with post-construction / maintenance conditions.
- c. If the environmental conditions include post-construction / maintenance mitigation measures, the applicant and all future owners, successors, heirs or assigns shall be obligated to disclose these ongoing mitigation monitoring requirements to future buyers of the subject property.
- d. The applicant and any future owners, successors, heirs or assigns shall reimburse the Planning Department for its actual costs, reasonably and necessarily incurred, necessary to accomplish the required review of periodic status reports.

34. Indemnification and Reimbursement of Litigation Costs.

Applicant shall do all of the following:

- a. Defend, indemnify and hold harmless the City from any and all actions against the City relating to or arising out of, in whole or in part, the City's processing and approval of this entitlement, including but not limited to, an action to attack, challenge, set aside, void, or otherwise modify or annul the approval of the entitlement, the environmental review of the entitlement, or the approval of subsequent permit decisions, or to claim personal property damage, including from inverse condemnation or any other constitutional claim.
- b. Reimburse the City for any and all costs incurred in defense of an action related to or arising out of, in whole or in part, the City's processing and approval of the entitlement, including but not limited to payment of all court costs and attorney's fees, costs of any judgments or awards against the City (including an award of attorney's fees), damages, and/or settlement costs.
- c. Submit an initial deposit for the City's litigation costs to the City within 10 days notice of the City tendering defense to the Applicant and requesting a deposit. The initial deposit shall be in an amount set by the City Attorney's Office, in its sole discretion, based on the nature and scope of action, but in no event shall the initial deposit be less than \$25,000. The City's failure to notice or collect the deposit does not relieve the Applicant from responsibility to reimburse the City pursuant to the requirement in paragraph (a).

- d. Submit supplemental deposits upon notice by the City. Supplemental deposits may be required in an increased amount from the initial deposit if found necessary by the City to protect the City's interests. The City's failure to notice or collect the deposit does not relieve the Applicant from responsibility to reimburse the City pursuant to the requirement in paragraph (ii).
- e. If the City determines it necessary to protect the City's interest, execute an indemnity and reimbursement agreement with the City under terms consistent with the requirements of this condition.

The City shall notify the applicant within a reasonable period of time of its receipt of any action and the City shall cooperate in the defense. If the City fails to notify the applicant of any claim, action, or proceeding in a reasonable time, or if the City fails to reasonably cooperate in the defense, the applicant shall not thereafter be responsible to defend, indemnify or hold harmless the City.

The City shall have the sole right to choose its counsel, including the City Attorney's office or outside counsel. At its sole discretion, the City may participate at its own expense in the defense of any action, but such participation shall not relieve the applicant of any obligation imposed by this condition. In the event the Applicant fails to comply with this condition, in whole or in part, the City may withdraw its defense of the action, void its approval of the entitlement, or take any other action. The City retains the right to make all decisions with respect to its representations in any legal proceeding, including its inherent right to abandon or settle litigation.

For purposes of this condition, the following definitions apply:

"City" shall be defined to include the City, its agents, officers, boards, commissions, committees, employees, and volunteers.

"Action" shall be defined to include suits, proceedings (including those held under alternative dispute resolution procedures), claims, or lawsuits. Actions include actions, as defined herein, alleging failure to comply with any federal, state or local law.

Nothing in the definitions included in this paragraph are intended to limit the rights of the City or the obligations of the Applicant otherwise created by this condition.

Section __. The City Clerk shall certify to the passage of this ordinance and have it published in accordance with Council policy, either in a daily newspaper circulated in the City of Los Angeles or by posting for ten days in three public places in the City of Los Angeles: one copy on the bulletin board located at the Main Street entrance to the Los Angeles City Hall; one copy on the bulletin board located at the Main Street entrance to the Los Angeles City Hall East; and one copy on the bulletin board located at the Temple Street entrance to the Los Angeles County Hall of Records.

I hereby certify that the foregoing ordinance was introduced at the Council of the City of Los Angeles, by a majority vote of all its members, at the meeting of _____.
