ORDINANCE NO. 175981

CPC-1998-10

EFF. 7-3-04

An ordinance amending Section 12.04 of the Los Angeles Municipal Code  
by amending the zoning map.

THE PEOPLE OF THE CITY OF LOS ANGELES DO ORDAIN AS  
FOLLOWS:

Section 1. Section 12.04 of the Los Angeles Municipal Code is hereby  
amended by changing the zones and zone boundaries shown upon a portion of the zone  
map attached thereto and made a part of Article 2, Chapter 1 of the Los Angeles  
Municipal Code, so that such portion of the zoning map shall set forth the zones and  
height districts as if they are set forth on the maps entitled "Zone/Height District Change  
Ordinance Map", and Ordinance Table I attached hereto and incorporated herein by this  
reference.

Section 2. The intent of this Ordinance is to change the zones and height districts of property in the Westchester-Playa del Rey Community Plan area. Because of the numerous parcels affected by this program in the Westchester-Playa del Rey Plan area, the City Council has approved this form of ordinance which utilizes subarea designations, tables and maps to establish the location of the affected properties and to make the necessary changes.

Each subarea listed in the attached Ordinance Table I is shown on the attached maps entitled "Zone/Height District Change Ordinance". The Table for Section 1 also sets forth a description of the subarea under the column "Subarea Location" to assist in the location of the boundaries of the area being rezoned. References in this ordinance to "Cadastral" maps are to such maps maintained on file by the Department of Building and Safety.

References in Ordinance Table I under the column "Existing Zone and Height District" are to the zoning classification and height district classification applicable to the property prior to the adoption of this ordinance. Such references are for informational purposes only to assist in the location of the boundaries of the area being zoned. In Ordinance Table I, the column, "New Zone and/or Height District" sets forth the change of zone and/or height district effectuated by this ordinance.

Section 3. Pursuant to Section 12.32 of the Los Angeles Municipal Code, the following limitations are hereby imposed upon the use of the properties in the Subareas listed below, as more completely described in Ordinance Table I above, which properties are subject to the "Q" Qualified Classification Limitations as indicated in Ordinance Table II below.

Limitations imposed upon the use of property subject to the permanent "Q" Qualified Classification are imposed pursuant to Section 12.32K of the Los Angeles Municipal Code. These limitations are indicated by the symbol "Q" brackets preceding the proposed zoning designation and are shown for each affected Subarea in the following Ordinance Table II attached hereto and incorporated herein by this reference.

[Q]C4-1VL

The property shall observe the following [Q] conditions:

1. Residential uses shall be prohibited on the ground floor.
2. The following site design regulations shall apply:
  - a. As referenced in the conditions below, the "primary commercial street" shall be Culver Boulevard for all properties, except for those that have no frontage on Culver Boulevard, for which the "primary commercial street" shall be Pacific Avenue or Vista Del Mar.
  - b. All buildings shall be located with their front wall within five (5) feet of the primary commercial street, except that a larger setback not to exceed fifteen (15) feet shall be permitted if all areas between the front wall of the building and the public right-of-way are developed with pedestrian amenities, such as walkways, courtyards, outdoor seating, etc.
  - c. All buildings shall have their primary ground floor pedestrian entrance from the primary commercial street, even if other pedestrian entrances are provided.

- d. Parking areas shall be accessed via streets to the side or rear of the property and/or rear alleys, not via driveways directly from the primary commercial street, unless this is determined to be infeasible by the Department of Transportation or Building and Safety, or if no such alternative right-of-ways abut the subject property.
3. Pole signs and illuminated architectural canopy signs shall be prohibited.
4. Exterior security grilles or permanently affixed security bars, or roll-down grilles that conceal storefront windows shall be prohibited.
5. All areas of the site not developed with structures, parking areas, walkways or other pedestrian amenities shall be attractively landscaped.

[Q]R4-1

The property shall observe the following [Q] conditions:

1. Use of the site shall be limited to Loyola University, or residential uses permitted in the R1 Zone.
  2. Any additional development, expansion, or modification of the University use must be consistent with the existing conditional use permits on the site, until a Master Plan is developed, and approved by the Director of Planning.
  3. Any development exceeding the enrollment capacity of 7,800 full-time students shall require the preparation of a Master Plan, and the approval of necessary, discretionary entitlements, as determined by the Director of Planning.
- 

440

[Q]R4-1

The property shall observe the following [Q] conditions:

1. Use of the site shall be limited to Loyola University, or residential uses permitted in the R1 Zone.
2. Any additional development, expansion, or modification of the University use must be consistent with the existing conditional use permits on the site, until a Master Plan is developed, and approved by the Director of Planning.

3. Any development exceeding the enrollment capacity of 7,800 full-time students shall require the preparation of a Master Plan, and the approval of necessary, discretionary entitlements, as determined by the Director of Planning.

The following existing [Q] conditions are retained from Ordinance Number 157,906 and shall cover the same area described in that ordinance.

4. No structure located on the site shall exceed a height of 139 feet above mean sea level, as measured to the highest point of the skylights. Any structures on the roof ( such as air conditioning units, and other equipment) shall not be visible from nearby single-family residential properties to the east.
5. All buildings constructed on the site have a total floor area not to exceed 500,000 square feet, as defined in section 12.21.1 (A,5 and B, 4) of the Municipal Code, exclusive of the floor area contained in the atrium. No portion of the atrium shall, at any time, be used other than as an open area of pedestrian passage.
6. Prior to the issuance of building permits, detailed development plans, including a complete landscape plan, shall be submitted to the Department of City Planning for approval.
7. A landscape buffer setback along the easterly and southerly property line shall be required, as depicted on the site plan, Exhibit A-1 attached to City Plan Case No. 83-098. The landscape buffer setback shall contain no buildings or structures, except for retaining walls or fences, and shall contain low-lying shrubs and/or trees of significant density to visually separate the structures from adjacent residences, while not obscuring the views toward the west from those residences.
8. All open areas not used for buildings, driveways, parking areas, recreational facilities or walks shall be attractively landscaped in accordance with a landscape development plan prepared by a licensed landscape architect or licensed architect. Approved copies of such plans shall be submitted to the Department of Building

and Safety before the issuance of a building permit. All landscape areas shall be equipped with automatic sprinklers and shall be maintained in a first-class condition at all times. All types of plants selected and required watering systems for such landscaping shall, to the extent possible, conserve water and shall be consistent with any water conservation ordinance enacted by the City.

9. A physical barrier, architecturally treated where it is visible from adjacent residences, and of sufficient height and/or width to deter pedestrian access, shall be constructed along all property lines abutting residential properties. Whenever feasible, the required barrier shall be located sufficiently downslope so as not to be visible from the adjacent residential properties. There shall be no openings, except as needed to meet Department of Building and Safety and Fire Department requirements.
10. All signs shall be of an identifying nature only, shall not be of a flashing or animated type, and shall be arranged and located so as not to be a distraction to vehicular traffic or adjacent residential areas.
11. All lighting shall be directed onto the site, and no floodlighting shall be located as to be seen directly by the adjacent residential areas. This condition shall not preclude the installation of low-level security lighting.
12. Vehicular and pedestrian ingress and egress from the subject property shall be prohibited from 78<sup>th</sup> Street, Altavan Avenue, and Campion Drive.
13. Archaeological Site LAn 61 shall be tested by a qualified archaeologist to determine the exact extent of deposits located on-site. Upon completion of the testing, the portion of LAn 61, if any, that would be impacted by development shall be completely salvaged before construction begins, or the project grading plan shall be altered to prevent impacting of the site, if feasible. If a portion of LAn 61 is salvaged, the operation shall be conducted by a qualified archaeologist. If the grading plan is altered, the location of the structure shall be shifted south of LAn 61 to prevent impacting the site.

14. In consideration of the proximity of Archaeological Site LAn 61 to the north, the northern boundary of the site shall be fenced in order to prevent inadvertent incursion during construction.
15. During grading and construction phases, an escape route shall be provided to allow wildlife to migrate to adjacent uninhabited areas.

DECLARATION OF POSTING ORDINANCE

I, MARIA C. RICO, state as follows: I am, and was at all times hereinafter mentioned, a resident of the State of California, over the age of eighteen years, and a Deputy City Clerk of the City of Los Angeles, California.

Ordinance No. 175981 - Changing the existing zones, height districts and zoning maps associated with the Westchester Playa Del Rey Community Plan Update Program - a copy of which is hereto attached, was finally adopted by the Los Angeles City Council on May 11, 2004, and under the direction of said City Council and the City Clerk, pursuant to Section 251 of the Charter of the City of Los Angeles and Ordinance No. 172959, on May 24, 2004, I posted a true copy of said ordinance at each of three public places located in the City of Los Angeles, California, as follows: 1) One copy on the bulletin board at the Main Street entrance to Los Angeles City Hall; 2) one copy on the bulletin board at the ground level Los Angeles Street entrance to the Los Angeles Police Department; and 3) one copy on the bulletin board at the Temple Street entrance to the Hall of Records of the County of Los Angeles.

Copies of said ordinance were posted conspicuously beginning on May 24, 2004 and will be continuously posted for ten or more days..

I declare under penalty of perjury that the foregoing is true and correct.

Signed this 24th day of May 2004 at Los Angeles, California.

  
Maria C. Rico, Deputy City Clerk
