Item Number:

Brief Summary: The Los Feliz NC supports the Bureau of Engineering Exhibit 3 to create ADA sidewalks and bike lanes on both sides of the Glendale Hyperion Bridge therefore creating a 21st century multi-modal bridge accessible.

The LFNC opposes the creation of a de-facto highway where high speed cars have priority and bicyclists and pedestrians travel at their own risk. We support the effort to return the Hyperion Bridge, built in 1927, to a livable bridge.
