MOTION TO CITY CLERK FOR PLACEMENT ON NEXT REGULAR COUNCIL AGENDA TO BE POSTED #78

It is estimated that every 10 minutes, a woman or child is trafficked into the United States for forced labor and that 50,000 women and children are trafficked into the United States annually. Los Angeles has become one of the largest points of transit for trafficked women in the world. The Central Intelligence Agency (CIA) reports that over 10,000 are trafficked into Los Angeles every year. Human trafficking is a complex issue where in many cases authorities identify multiple violations: illegal immigration, prostitution, smuggling, and kidnapping, overshadowing the most egregious crimes of rape and sexual abuse. The Commission on the Status of Women has been designated as the lead agency in the City of Los Angeles to assist in the effort to reduce human trafficking and assure that victims are provided appropriate resources.

The Bilateral Safety Corridor Coalition (BSCC), established in 1997, is a non-profit organization based in San Diego and provides comprehensive services to victims of human trafficking in the San Diego-Tijuana metropolitan area. The Southern California "Unity" Coalition headed by BSCC will subcontract with the Commission on the Status of Women and the Orange County Human Trafficking Task Force to provide a comprehensive community response to human trafficking within the Southern California area. Given the complexity and geographic extent of human trafficking, the BSCC, the Orange County Human Trafficking Task Force, and the Los Angeles Commission on the Status of Women will consolidate the southern region of California, which includes San Diego, Orange County and Los Angeles County, and unite the 3 established coalition's efforts into a single **Southern California Regional Coalition**.

I THEREFORE MOVE that Council takes the following actions, subject to the Mayor's approval:

1. Authorize the Executive Director, Commission on the Status of Women, or her designee to execute and administer a grant agreement for \$200,000 from Federal Department of Health and Human Services, Office of Refugee Resettlement. The grant is to support the City's efforts on reducing human trafficking and Southern California Regional Coalition.

2. Authorize the Executive Director, Commission on the Status of Women, or her designee to execute the Memorandum of Understanding between Commission on the Status of Women and the Bilateral Safety Corridor Coalition (BSCC) to provide the City comprehensive community services in response to human trafficking from September 30, 2006 to October 1, 2007, not to exceed \$ 200,000 subject to review by City Attorney for form and legality.

3. Authorize the Controller to establish a fund entitled Commission on the Status of Women Grant Fund to record the receipts and disbursements of the above or similar grants administered by Commission on the Status of Women.

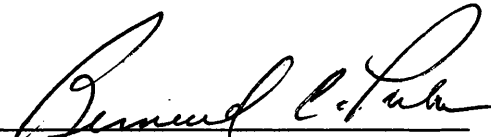

~~* 4. Appropriate the \$200,000 Federal Department Health and Human Services grant in the newly established Commission on the Status of Women Grant Fund and authorize the Executive Director or her designee to expend from the following:~~

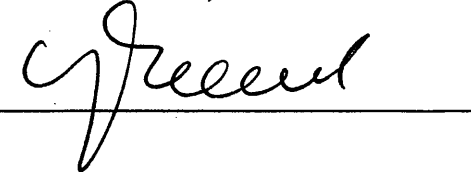

| Account | Title | Amount |
|--------------------|---|----------------------|
| A120 | Commission on the Status of Women | \$42,846 |
| A201 | Contractual Services | \$125,000 |
| A202 | Travel | \$5,000 |
| A203 | Office and Administrative Supplies | \$24,000 |
| A299 | Related Costs | \$3,154 |
| Total | | \$200,000 |

EC

~~*5. Authorize the Controller to transfer funds from the new fund Account 100 in the amount of \$42,846 to the General Fund, and appropriate to General Fund 100 Department 20 Commission on the Status of Women Account 1010 Salary - General. The transfer should be made upon receipts of the grant funds.~~

~~*6. Authorize the Executive Director, Commission on the Status of Women to prepare Controller instructions and make any necessary technical adjustments consistent with the Mayor and Council actions on this approved project, subject to the approval of the CAO and authorize the Controller to implement those instructions.~~
