

ENERGY, CLIMATE CHANGE, AND ENVIRONMENTAL JUSTICE COMMITTEE REPORT relative to the City's progress toward achieving solid resources goals of zero waste, recycling, and landfill diversion.

Recommendation for Council action, pursuant to Motion (Martinez - Koretz):

INSTRUCT the Bureau of Sanitation (BOS) to report to Council on the City's progress towards achieving solid resources goals of zero waste, recycling, and landfill diversion, including the following in the report:

- a. Current and projected waste diversion rates, and options and recommendations to accelerate the City's progress towards our zero waste goals.
- b. The status of the global commodities market, and ways to diversify market opportunities for the City's recyclable materials.
- c. The evolution of the recycling industry, and the strategies municipalities employ to reduce waste.
- d. The availability of new technologies, models, and other innovative approaches for the recycling or diversion of various material types.

Fiscal Impact Statement: Neither the City Administrative Officer nor the Chief Legislative Analyst has completed a financial analysis of this report.

Community Impact Statement: None submitted.

SUMMARY:

At its regular meeting held on December 4, 2018, the Energy, Climate Change, and Environmental Justice Committee considered Motion (Martinez - Koretz) relative to instructing the BOS to report to Council on the City's progress towards achieving solid resources goals of zero waste, recycling, and landfill diversion.

After providing an opportunity for public comment, the Committee moved to approve the recommendation contained in Motion (Martinez - Koretz), as detailed above. This matter is now transmitted to the Council for its consideration.

Respectfully Submitted,

ENERGY, CLIMATE CHANGE, AND ENVIRONMENTAL JUSTICE COMMITTEE
