Re: Council File 05-1853-S1: Bureau of Street Services proposed ten million dollar, three year survey

Dear Councilmembers:

The Mar Vista Community Council strongly opposes the proposal of the Bureau of Street Services of the Department of Public Works, as stated in the report filed on August 16, 2012, that a ten million dollar, three year survey is needed to assess the condition of the sidewalks in the city. We believe that an adequate survey can be done using volunteers recruited through the neighborhood councils and other entities including current city employees and resources, using modern technologies accomplishing the task with less time and money.

Kind regards,

Sharon Commins
Chair, Mar Vista Community Council Board of Directors
