Summary: The VNNC to submit a Community Impact Statement (CIS) & Call To Action (CTA) on Council File # 18-0600 and 06-0092. Recommendations: Continue researching and studying innovations for City Departments. • Expand the use of performance metrics to assess and improve response time for City Services. • Contract out cybersecurity systems while evaluating alternatives for updating technology city-wide. • Make City operations transparent to all residents of the City online. • Evaluate budget requests to determine whether a current investment would ultimately be more cost effective than deferring the item. • Allow two or three Budget Advocates to work with the CAO staff next year throughout the entire budget process. • Advocate for a linkage fee to assure a permanent source of funding to be used only for affordable housing. • Make certain the Department of Housing and Community Investment (HCID) can monitor affordable units built. • Conduct expansive outreach and education in communities before advancing homeless housing projects. • Expedite additional permanent housing, storage facilities and services for the homeless population. http://clkrep.lacity.org/onlinedocs/2006/06-0092_mot_1-11-06.pdf
