State Clearinghouse No. 2013041012] because of its failure to resolve and mitigate critical issues per the Statement of Overriding Considerations, including but not limited to emergency response time, insufficient infrastructure, and broader significant negative impacts on public health, safety and welfare.

5. **Motion LANCC 060615-2**

The Los Angeles Neighborhood Council Coalition (XXXXXX Neighborhood Council) supports legislation to eliminate or structure short-term rentals through public hearings and the Neighborhood Council system. This process would allow a properly drafted and enforceable citywide ordinance. We also support that all Hosts not only capture the Transient Occupancy Tax (TOT), but also the City’s Department of Finance coordinate an effort to track BTRCs to the TOT. CF14-1635 S2. Send to Councilmembers and CIS.

6. **Motion LANCC 060615-4**

The Los Angeles Neighborhood Council Coalition (XXXXXX Neighborhood Council) requests that the City Council instruct the Economic Development Committee to expand the four community hearings to all geographical areas and to include the ninety-six Neighborhood Councils in the process and planning because sidewalk vending (CF 14-1493) is a citywide issue. The Los Angeles Neighborhood Council

Coalition (XXXXXX Neighborhood Council) requests that the June 11, 2015 community meeting be rescheduled to a different night. Our alliance, coalition member VANC holds their monthly meetings on the same night and a majority of the Neighborhood Councils will not be able to attend. Send to City Council CIS CF 13-1493.

7.

The Los Angeles Neighborhood Council Coalition (XXXXXX Neighborhood Council) requests that the Mayor and City Council declare a state of emergency on homelessness in the City of Los Angeles and open a Council File to examine and develop a viable five year plan to systematically reduce homelessness in the City of Los Angeles. The current City resources available to meet the demands to reduce the homeless population do not exist and need the participation of the County, State, and Federal governments. The amount of people living on the street has increased 12% over the last two years and a veteran's commission report states that almost 50% of the homeless veterans in Los Angeles will still be on the streets after the Mayor's deadline of December 31, 2015. Send to the Mayor and City Council. No CIS available.
