In accordance with Division 5, Chapter 100 of the Administrative Code, our office is responsible to report annually the Council District Real Property Trust Funds listed above.

The Real Property Trust Funds were established in 1997 for the receipt of fifty percent of all net proceeds collected from each sale of surplus City Real Property, and the receipt, retention and disbursement of gifts, contribution and bequests.

In addition to funds received from the sales of City property, Ordinance 177247, effective February 18, 2006, authorizes the deposit of fifty percent of all oil pipeline franchise fees collected by the City of Los Angeles, to be placed in each Real Property Trust Fund. The funds are solely designated for street and sidewalk infrastructure improvements within each respective Council District.

This report is presented in two sections. The first identifies funds with no other transactions but the pipeline revenue and interest earnings. The second section identifies funds with revenue, including property sales or/and expenditure activity.

I. Funds with Pipeline Revenue & Interest Earnings (No Expenditures)

Activity for the funds presented below is attributed to pipeline revenue or/and interest earnings. There were no transactions related to revenue from sales of property or any authorized expenditures.
