Item Number:

Summary: On Saturday, January 27th, 2018 the Van Nuys Neighborhood Council in a vote of 14-0 took the position of supporting Council File 06-3189. Additionally, the VNNC decided this council file should be updated and reintroduced, with the CDO now covering the entire route of the proposed light rail train track.

Additional Information: The Van Nuys Neighborhood Council unanimously supports this motion, and the requested updates and reintroduction of the above motion. The VNNC looks forward to being involved in the process and working with the local governments, boards and commissions in Los Angeles.

This is the item as it appeared on the Agenda on January 27th, 2018.

k. The VNNC to consider the following Community Impact Statements. The VNNC to discuss and debate, then vote on the following Community Impact Statements. The VNNC to pass between 30-60 CIS statements at the retreat, thus making the VNNC #1 in the entire city in regards to submitting CIS statements.

k1. The VNNC to discuss and debate the VAN NUYS CENTRAL BUSINESS DISTRICT COMMUNITY DESIGN OVERLAY (Council File # 06-3189). Motion - Van Nuys Boulevard is a major corridor running through the heart of the San Fernando Valley. This Boulevard has always served as an important part of the economic growth of Van Nuys. Councilmember Miscikowski in 2000 introduced a motion to institute changes along the Boulevard that would eventually lead to the development of the Van Nuys Central Business District Community Design Overlay (CDO). Due to that motion, we have slowly started to see improvements in the quality of the buildings and the businesses along the portion of Van Nuys Boulevard that the CDO covers. The Van Nuys CDO covers the area on Van Nuys Boulevard from Calvert Street to Vanowen Street. There are a few gaps along Van Nuys Boulevard that would benefit from extending the CDO to cover those areas and start a uniform design and upgrade to Van Nuys Boulevard.
