Council File No. 07-1175

Item No.: 1

Communication from
public

1978 10 11 LAG Ord 151603

of the California Coastal Act of 1976.

(c) That the Interpretive Guidelines for Coastal Planning and Permits as established by the California Coastal Commission dated February 11, 1977 and any subsequent amendments thereto have been reviewed, analyzed, and considered in light of the individual project in making its decision.

(d) That the decision of the permit granting authority is a final and appealable decision of the California Coastal Commission under the Public Resources Code.

(e) If the development is located between the shoreline and the public access and put in conformity with the public access and put California Coastal Act of 1976.

(f) Any other finding or findings as may be required for the development by the California Environmental Quality Act.

2. Conditions of Approval. In approving an application for a Permit under the provisions of this Section, the City shall impose such reasonable terms and conditions as it deems necessary to assure that the development that is in accordance with the provisions of the California Coastal Act of 1976 and those other criteria set forth in the preceding paragraph.

3. Notification — A copy of the permit granting authority's action approving, conditionally approving or disapproving any application for a Coastal Development Permit, along with any findings made and conditions imposed in connection therewith, shall be mailed to the applicant and to any person or persons who, in writing, request a copy of such action.

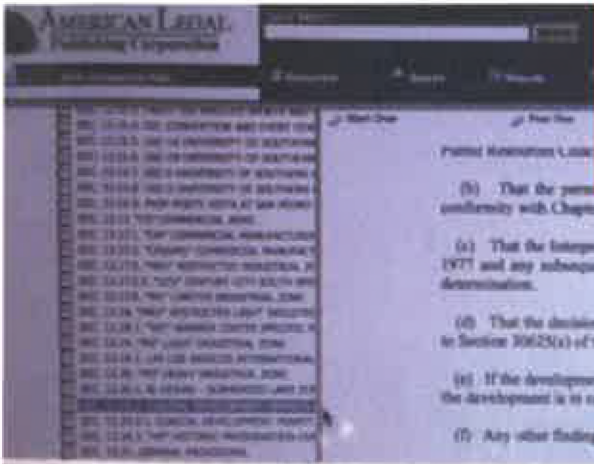

H. Appeals. Appeals from the approval, conditional approval, or disapproval of a Permit under the provisions of this section, may be taken by the applicant or any aggrieved person as follows:

1. Where a Coastal Development Permit hearing has been combined with the hearing on the project itself, an appeal may be taken to the appellate body that would

True
