TIME LIMIT FILE - DECEMBER 25, 2015

(LAST DAY FOR COUNCIL ACTION - DECEMBER 18, 2015)

Summary:

At a meeting held on December 8, 2015, the Entertainment and Facilities Committee considered a report from the EWDD dated October 26, 2015 relative to a request for approval of a proposed contract with FilmL.A. for a second term of five years from July 1, 2015 through June 30, 2020, with discretion to extend for two additional extensions of five years each, for a total contract term of 20 years. During the discussion of this item, the CLA representative indicated that subsequent to the EWDD transmittal, it was determined that the proposed contract would have to be amended to address some outstanding technical issues and proposed revisions. Therefore, the City Council approved a Motion (Council file 07-1586-S2) extending the existing contract with FilmL.A. for an additional six months to April 30, 2016 to provide City staff and FilmL.A. with sufficient time to further discuss the technical issues and proposed revisions.

After providing an opportunity for public comment, the Committee recommended that Council disapprove the proposed contract with FilmL.A. for a second term of five years. The Committee also recommended that Council instruct City staff to continue the on-going contract negotiations with FilmL.A. for film permit coordination services in the City of Los Angeles. This matter is now submitted to Council for its consideration.

Respectfully Submitted,

ENTERTAINMENT AND FACILITIES COMMITTEE
