**SUBJECT: NAMING/RENAMING OF A COMMUNITY, NEIGHBORHOOD COUNCIL(S)
PARTICIPATION (COUNCIL FILE NOS. 07-1854 AND 07-1971)**

Dear Mr. Martinez:

This letter is written in response to your June 22, 2007, correspondence Naming/Renaming of A Community, Neighborhood Council(s) Participation. The Department of Neighborhood Empowerment (DONE) forwarded the naming application(s) to the affected certified Neighborhood Council(s) to hold a public hearing to consider the matter.

Downtown Los Angeles Neighborhood Council (DLANC) tried to contact the two groups who were to make presentations to the Neighborhood Councils; they did not return any of DLANC's requests for presentation. Therefore, DLANC did not have any discussions and no decisions were made on this re-naming project. MacArthur Park Neighborhood Council decided to vote to wait until the applicants had decided on one name and not two separate names. At the November 5, 2007 meeting, Pico Union Neighborhood Council decided to not support the name change.

If you have any questions or require additional information, I can be reached at (213) 485-1360.
