Re: Council File No. 08-0312

Dear Committee Chair Alarcón:

As you know, residents of the Beverly Crest neighborhood in my District have petitioned the City of Los Angeles for formal "Beverly Crest" community designation. The issue is set to be heard by your committee shortly. I urge you to support their efforts to acquire a long felt but never officially recognized sense of community identity.

Residents have met the requirements stipulated by the Office of the City Clerk's Community Naming Application, and my office has received no verbal or written opposition to the proposal. The community has long been known locally by its Beverly Crest name. Your support will ensure that this neighborhood jewel can properly take its place among the many celebrated communities of the City of Los Angeles.

If you have any questions, please do not hesitate to contact my Field Deputy, Matthew Schupbach, at (818) 971-3088. Thank you for your assistance and consideration.

Sincerely,

JACK WEISS
