MOTION

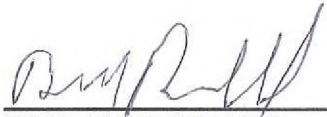

TRANSPORTATION

On November 18, 2008, the City Council approved Council File No. 08-0531 relative to approving a taxicab consultant study that will review the City's Taxicab Regulatory Program.

Since then, the Los Angeles Department of Transportation (DOT) has selected a consultant to conduct an independent review of the City's Taxicab Regulatory Program and a contract was awarded.

It is important that DOT now provide a report back to the Council on the status of this contract.

I THEREFORE MOVE that DOT be requested to report at the Transportation Committee meeting of September 23, 2009 in order to provide a status report on the contract that has been awarded for the purposes of reviewing the City's Taxicab Regulatory Program.
