Council District Eight has received a request to temporarily close certain streets, provide pedestrian and traffic control, and declare the function a Special Event. Approval of this request will mean that an estimated \$3,000 in fees and salary costs will be absorbed by the City.

- Eastbound 32nd Street from University to Figueroa Street, from 12:00 PM on Saturday, March 21, 2009 until 3:00 AM on Sunday, March 22, 2009, to facilitate unloading and loading of production vehicles.

- Royal Street, from Jefferson Boulevard to 32nd Street, from 9:00 AM on Saturday, March 21, 2009 until 3:00 AM on Sunday, March 22, 2009.

I FURTHER MOVE that the Department of Transportation be directed to control the intersection of Jefferson Boulevard and Royal Street to filter event-related traffic.

I FURTHER MOVE that the Bureau of Street Services be directed to furnish the necessary traffic control devices. These devices will be provided with the understanding that the sponsoring organization will pick up and return them to the Bureau.

I FURTHER MOVE that the Department of Transportation and Los Angeles Police Department be authorized to close any additional streets or sidewalks, at their discretion, that are necessary to facilitate public safety and traffic flow during this event.
