

VERBAL MOTION

I HEREBY MOVE that Council AMEND Motion (Koretz-Wesson) (Item #18, Council file 08-0923-S17) relative to a limited immunity ordinance approach to regulating medical marijuana businesses:

1. REQUEST the City Attorney and DIRECT the Planning Department and related staff to prepare an ordinance and accompanying California Environmental Quality Act analysis to be presented to the City Planning Commission. This ordinance will ban all post Interim Control Ordinance dispensaries and impose restrictions on the 182 registered facilities.
2. INSTRUCT the Chief Legislative Analyst, City Administrative Officer, City Attorney, Los Angeles Police Department, Department of Building and Safety, and Planning Department to report back in three weeks with a mechanism to fund dedicated enforcement unit such that it allows the city to expeditiously enforce the City adopted Ordinance relative to medical marijuana.
