

MOTION

I MOVE that the matter of CONTINUING CONSIDERATION OF PUBLIC SAFETY and PLANNING AND LAND USE MANAGEMENT COMMITTEES' REPORT, PROPOSED AMENDING MOTIONS, ORDINANCES and NEW PROPOSED ORDINANCE(S) TO BE SUBMITTED FIRST CONSIDERATION relative to amending the Los Angeles Municipal Code to establish regulations regarding medical marijuana collectives, Item 10 on today's Council Agenda (CF 08-0923), BE AMENDED as follows:

1. Request the City Attorney to prepare a report that explains the impact of a recent Los Angeles County Superior Court decision in *People v. Hemp Factory V, et.al.*, on the proposed Medical Marijuana Ordinance that the City is deliberating, inasmuch as the Superior Court's decision held that State law does not allow medical marijuana to be sold, and thereby, ordered the dispensary Hemp Factory V located at 2912 Colorado Boulevard in the Eagle Rock community, to stop selling medical marijuana.
2. Request the City Attorney to also report on the impact of the Superior Court's decision which required Hemp Factory V, to label its marijuana as though it were a typical medicine, inasmuch as the dispensary was prosecuted for selling marijuana containing pesticides, and therefore, in violation of various sections of the Health and Safety Code (Sections 11573 and 11570 *et seq.*).
