Subject: Greatly opposing CF# 08-2020: NO Banners in Griffith Park!!!!

I am a resident and home owner in Los Feliz in close proximity of the Griffith Park. I want to express my great opposition to allowing banners and signs at city-owned facilities. It would diminish the beauty of the area and thus devalue the park in the long run. I urge you to stop this ordinance.

Sincerley

Subject: Opposed to CF# 08-2020

I am a longtime resident of Los Feliz, and wish to express my grave concern over pending legislation, namely CF# 08-2020.
We must not permit commercial signage in near or around Griffith Park. The park - indeed any park - is designed to be a respite from the urban environment.
By permitting the proliferation of commercial signage we are defeating the very purpose of the park itself.
I strongly voice my opposition to ANY legislation that would permit increased signage outside the Hollywood commercial corridor.

Thank you very much for your attention.

Subject: sign ordinance by Alan Bell

I just read an article in the "Los Felix Observer" that City planner Alan Bell wants to agree to commercial signs in Griffith park with only few restrictions. We (my wife and I), strongly disagree with his position. We just returned from a three week trip to Great Britain and surrounding cities, from London to Brighton in the south and York in the north. The English may be hurting financially (who isn't) but they are NOT allowing cheap commercial signs to pay off short term debts to finance long term problems. They are not interested in ruining the glory of their landscape. I say this as a long time Democrat. Looking for loopholes and short term fixes is not the right direction. Mr, Espinosa, Imagine a large and very bright sign(s) next to where you live.(you may have one already)..and vote accordingly. (just forget who's paying you)
