Re: Council File 08-2020 Citywide Sign Ordinance Revisions

Dear Committee Members:

I am writing to urge passage of the Citywide Sign Ordinance Revisions as presented to the PLUM committee on Dec. 4, 2012. We need this ordinance in place to protect our communities from the negative effects of sign blight, and to discourage the blatant disregard of sign laws that blanketed the city with illegal signs in the past. In particular, we urge you to resist any attempt to include provisions in this ordinance regarding the re-permitting of digital billboards ruled illegal by the court.

Sincerely,

Michael Monagan
