Re: Motion #08-2070

Honorable Members of the P.L.U.M. Committee,

In an attempt to deal with the Citywide blight of abandoned shopping carts, Councilmember Tony Cardenas and Councilmember Greig Smith co-presented a Motion to City Council on August 6, 2008 asking that the Planning Department, with the assistance of the City Attorney, be directed to prepare and present a Citywide Ordinance within 30 days that would be similar to one enacted in the City of Glendale which regulates the proliferation of abandoned shopping carts through the land-use process. The Motion was referred to City Council's Planning and Land-Use Management Committee on August 6, 2008. Today is the 28<sup>th</sup> of December, long past the requested 30 days noted in the Motion and there has been no further action since the date of referral. Our community is highly subject to abandoned shopping cart blight and, as such, the Shadow Hills Property Owners Association respectfully requests that you seriously consider bringing this Item to the table.

Thank you for your time and consideration,

Elektra G.M. Kruger, President  
Shadow Hills Property Owners Assoc.

Re: Motion #08-2070

Dear Sirs,

The Shadow Hills Property Owners Association respectfully asks that the following statement be entered in the CFI 08-2070 file.

Thank you for your time and consideration,

Elektra G.M. Kruger, President  
Shadow Hills Property Owners Assoc.

In an attempt to deal with the Citywide blight of abandoned shopping carts, Councilmember Tony Cardenas and Councilmember Greig Smith co-presented a Motion (08-2070) to City Council on August 6, 2008 asking that the Planning Department, with the assistance of the City Attorney, be directed to prepare and present a Citywide Ordinance within 30 days that would be similar to one enacted in the City of Glendale which regulates the proliferation of abandoned shopping carts through the land-use process. The blight of abandoned shopping carts along the roadsides and on vacant lands in and around Shadow Hills is painful to community residents. As such, the Shadow Hills Property Owners Association respectfully wishes to express our support for said Ordinance.
