# MOTION

Rule 16

The International Church of the Foursquare Gospel proposes to construct a 540 space parking structure, located at 1136 North Glendale Boulevard, that will encroach into the newly dedicated public right-of-way.

A Council motion has been introduced to reclassify Glendale Boulevard between Park Avenue and Sunset Boulevard to modified Secondary Highway standards.

The Church acknowledges that in the event that the reclassification of Glendale Boulevard is not approved, the encroaching portions of the structure shall be removed from the public right-of-way and the permit will be revoked.

I THEREFORE MOVE that the Council direct the Bureau of Engineering (BOE) to issue the necessary permits to allow the construction of the International Church of the Foursquare Gospel parking structure, located at 1136 North Glendale Boulevard, within the newly dedicated public right-of-way.
