SUMMARY

On January 28, 2009, Council considered Motion (Garcetti – Greuel – Perry) relative to the licensing and monitoring of the valet parking service industry. Motion instructs the CLA, in conjunction with other City Departments, to report back with recommendations for a valet parking permit program, and to review existing industry regulations. Council referred Motion to the Public Safety Committee for consideration.

In a report to the Public Safety Committee dated October 28, 2009 (attached to the Council file), the CLA recommends that Council request that the City Attorney prepare the ordinance necessary to establish a valet parking permit to be administered and enforced by the Police Commission. The CLA reports that staff from City agencies will continue to meet to discuss the development of a district approach that will allow parking capacity to be dynamic and based on real occupancy, and to address valet services at large social gatherings in residential areas.

At its meeting held November 16, 2009, the Public Safety Committee recommended that Council request that the City Attorney prepare an ordinance to establish a valet parking permit program, as recommended by the CLA.

Respectfully submitted,

PUBLIC SAFETY COMMITTEE
