### SUMMARY

Accompanying a report to Council dated May 20, 2013 (attached to the Council file), the City Attorney presents Ordinance amending the LAMC to establish permits and permit fees for valet parking operators and valet parking attendants. The City Attorney reports that the accompanying Ordinance establishes a Valet Parking Operator police permit fee of \$314.00 and a Valet Parking Attendant police permit fee of \$70.00, as recommended by the Board of Police Commissioners at its meeting held April 19, 2013.

At the Public Safety Committee meeting held June 14, 2013, the Committee Chair and Member discussed this matter with representatives of the City Attorney and the Board of Police Commissioners. The City Attorney representative stated that valet parking service at non-recurring special events at residences is excluded from the requirements of this Ordinance. Committee members recommended that Council approve the accompanying Ordinance establishing the proposed valet permit fees. Committee members further recommended that Council direct LADOT to report to Council with a clarification of how the Department's parking meter guidelines ensure that meters made available for use by private valet services are properly bagged and or marked with

official signage; and that spaces not properly marked shall be available for legally permitted public parking.

Respectfully submitted,
