SUMMARY

At its meeting of October 26, 2009, the Budget and Finance Committee considered updated operational plans and continued consideration of the Committee's Minority Report recommendation Nos. 3,4,5,6 and 15 relative to the 2009-10 Budget Balancing Operational Plan. The CAO submitted recommendations in Committee relative to actions the Council should take if, on October 30, 2009, the Council approves the tentative agreement with the Coalition, the ERIP, and the tentative agreement with LAPPL. Recommendations are also provided should the Council not approve these tentative agreements.

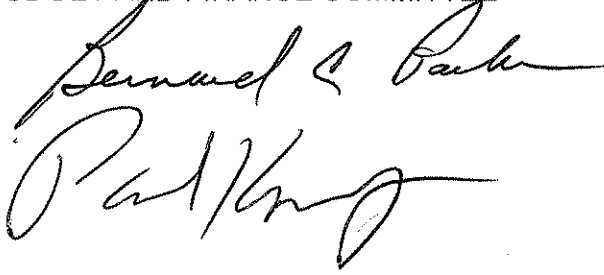

The CAO reported that the ERIP was ratified by the Coalition of City Unions on September 23, 2009, and will be considered by the Council on October 30, 2009. Additionally, the CAO has received ratification from the LAPPL of a tentative agreement with the LAPD. Combined, these two labor agreements represent nearly \$200 million in savings for this fiscal year, and additional savings for next year and following years. The CAO reported that the City still has a significant problem, and that the City needs to remain vigilant, particularly to as it relates to issues involving civilian cash overtime which is projected to be \$22 million this fiscal year, and sworn overtime which through the tentative agreement with the LAPPL represents a \$45 million savings. The CAO additionally has identified \$9 million in targeted solutions which equates to the elimination of 251 positions, which will not include Coalition members or LAPD personnel represented by the LAPPL. Remaining bargaining units which have not concluded negotiations with the CAO will be affected by the proposed lay-offs. The CAO recommends that departments be instructed to work with the CAO and CLA to determine projected current year savings by source of funds and to report any remaining budgetary gap by source of funds within two weeks of the proposed ERIP, if approved by the Council. Additionally, the CAO recommends that departments report back within 30-days with operational plans, including service level impacts, to assist the Council in quickly addressing remaining budgetary gaps in January when the Mid-Year Financial Status Report is released.

This Committee report reflects the actions taken by the Budget and Finance Committee relative to updated operational plans and continued consideration of the Committee's Minority Report recommendation Nos. 3,4,5,6 and 15 relative to the 2009-10 Budget Balancing Operational Plan.

This matter is now forwarded to the Council for its consideration.

Respectfully submitted,

BUDGET AND FINANCE COMMITTEE
