COMMUNITY IMPACT STATEMENT REGARDING REPEAL OF PETTY CASH SYSTEM

February 18, 2010

BongHwan Kim
Department of Neighborhood Empowerment
334-B E. 2nd Street
Los Angeles, CA 90012

The Empowerment Congress North Area Neighborhood Development Council (NANDC) disagrees with the Department of Neighborhood Empowerment's (DONE) decision to eliminate the petty cash system. This will create a financial burden on Neighborhood Councils whose board members are of lower economic standing. This change will greatly affect NANDC and other Neighborhood Councils' service to the community. We would recommend the repeal of DONE's decision to eliminate the petty cash system. It is our understanding that greater safeguards may need to be enacted in an effort to ensure the proper spending of city funds.
