Agenda Date:

Item Number: Items 2 and 5 (on Special Council Meeting of 2/18/10)

Brief Summary: The ASNC opposes the combined impact of this motion, which repossesses an average \$18,000 per council in critical rollover funds while also slashing 2010-11 allocations by half. This immediate, effective loss of nearly \$40,000 per council (leaving less than \$25,000 next year), makes the "shared sacrifice" for certified councils so much greater than that of most City entities -- including some not even mandated by the voter-approved City Charter.

Additional Information: Neighborhood council action take Monday, Feb. 22, and the agenda is attached. This CIS was unanimously approved; draft minutes verifying council action will take several days to complete, but will be uploaded here as soon as available.

09-0600-S159. In several steps, these motions seek over the next 16 months to remove the vast majority of funds available to neighborhood councils for operations, outreach, and community improvement – including funds already promised in past years but not yet spent (so called “rollovers”). It includes \$1.6 million from past years, much of which may be encumbered by promises made by neighborhood councils as City entities, as well as half of the current per-council allocation rate of \$45,000. The combined takebacks and future cuts will result in an effective removal of nearly two-thirds of the funds available to councils, compared to the pre-2009 allocations, and make the neighborhood council system’s “shared sacrifice” under L.A.’s current budget crisis several times the “share” being taken from any other City function. [Joseph Riser]

4. ELECTION PROCEDURES. Discussion of ASNC Election Procedures including level of incumbent participation, applicable “term limit” rules, and outreach efforts to increase candidate filings and stakeholder participation. Motion to allocate up to \$6,500 from the already budgeted Outreach areas: a) “Election & ballot mailings” and, b) “Stakeholder communications” to create and mass-mail a postcard to all stakeholder addresses in the ASNC area. [Joseph Riser]

VII ACTION ITEMS. Non-Finance Related.
