PETITION FOR
NAMING / RENAMING COMMUNITY

Pursuant to Council action of January 31, 2006 (Council File 02-0196), a petition must accompany the application to name or rename a community. The petition must contain a minimum of 500 signatures of individuals who either reside in and/or have businesses, both profit and nonprofit, in the neighborhood being name or renamed. If the population of the neighborhood is under 2,500 people, then 20% of the population of the area being named or renamed is required. All addresses will be confirmed as to their location within the boundaries of the community being named/renamed. Therefore, to prevent any delay in the application approval process, it is recommended that additional signatures be collected in case some addresses are not located within the bounded area.

Petition for:

the Community of Koreatown (current name of community) to be renamed the Community of Koreatown (proposed community name).

OR
