

TRANSPORTATION

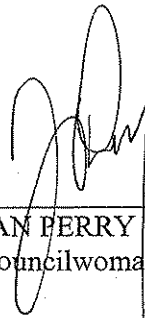

MOTION

Located in the Downtown Fashion District, Santee Alley is a shopper's mecca that attracts bargain hunters in search of un-beatable deals. More than 300 stores exist around Santee Alley, selling a wide variety of goods including athletic wear, accessories, eyewear, handbags, hats, jewelry, luggage, shoes, and toys.

A growing problem at Santee Alley is the sale of live animals. By educating the public that this activity is illegal, the City of Los Angeles can promote a safer, improved customer experience for the patrons of Santee Alley. The City Attorney and Department of Transportation should work together to come up with solutions to this problem.

I THEREFORE MOVE that the Department of Transportation, with the assistance of the City Attorney, be directed to report with recommendations on the posting of appropriate signs at locations in the Santee Alley area of the Downtown Fashion District to inform patrons that the sale of live animals is illegal.
