Re: Council Meeting June 5, 2009  
Agenda Item No. 11  
Council File 09-0772

Dear President Garcetti ETAL:

Another Public Private Partnership deal with no public outreach, no due process and one committee meeting, reminiscent of the Solar Power Plan and Green Jobs, Green Energy fiasco.

Again?

You are running this motion through in less than two months with no accountability.

President Eric Garcetti

Where is your Chief Legislative Analyst report?

Where is your Chief Administrative Officer report?

You have none.

During this critical period of budget crisis, both State and Local, and pending pension liabilities, you are fast tracking the diversion of future revenues.

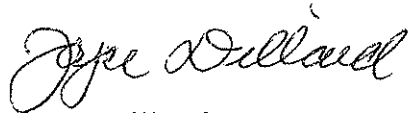

You do not have a report on the indebtedness and the effects of a short-term sale and long-term loss of revenue.

Missing is Transportation Element Infrastructure Plan, with periodic reporting.

Missing is the Voter approved Charter Amendment to allow such transactions. The Mayor does NOT have a blank check.

Go back and do it properly.

Very truly yours,
