Councilmember Bernard C. Parks, Chair
Budget and Finance Committee

Attn: Lauraine Braithwaite, Legislative Assistant

On April 27, 2010, the Planning and Land Use Management (PLUM) Committee considered a Department of City Planning (DCP) report (Council file 09-0600-S50) relative to corrections to DCP Fee Ordinance No. 180874 and increases to a portion of the City overhead rate pursuant to the phase-in approach approved by Council on October 26, 2009. The PLUM Committee also considered Motion (Koretz - Reyes) (Council file 09-0969-S1) relative to accelerating the phase-in of the overhead rate for planning entitlement fees and establishing an immediate full Cost Allocation Plan recovery on DCP entitlement requests.

At this meeting, the PLUM Committee recommended that Council approve Motion (Koretz - Reyes) and, regarding Council file 09-0600-S50, request the City Attorney to prepare and present an ordinance that reflects the intent of Motion (Koretz - Reyes).

Pursuant to the dual referral of these files, Council files 09-0600-S50 and 09-0969-S1 are transmitted to the Budget and Finance Committee for its consideration.

Thank you,
