MOTION

HOUSING, COMM & ECON. DEVELOP

The Los Angeles Unified School District recently announced that it would cancel the majority of summer school classes throughout the City of Los Angeles. The summer months are typically a time when youth need to access recreational and educational activities. There are various organizations in Council District 14 which are offering summer activities and which need funding. Therefore, CD 14 would like to reallocate \$23,000 in Urban Development Action Grant (UDAG) Miscellaneous Revenue Funds to the following activities:

Barrio Action Summer Sports Activity - \$10,000 --This activity will provide funding to Barrio Action Youth and Family Center to support a summer sports program between July 1, 2009 and September 19, 2009. Sport activities will include basketball, volleyball and indoor soccer. Funding will be used to provide a recreation coordinator and necessary sports equipment. A total of 200 youth will be served.

El Centro de Ayuda-Youth Enrichment Project - \$13,000--This activity will provide funding to the El Centro de Ayuda to support a community Youth Enrichment Project (YEP). YEP will provide gang prevention and violence prevention services by working with at-risk youth and their parents on school campuses and in the broader community, engage and educate local communities on these issues and to promote public policies that directly impact these issues. Funding will enable YEP to focus on the community engagement/education and policy development/promotion purposes of the Youth Enrichment Project, including costs associated with holding community forums in northeast Los Angeles communities of Boyle Heights and El Sereno, honorariums for key forum/community speakers, staffing the project, and publication of policy recommendations resulting from the forums.

I THEREFORE MOVE that the General Manager of the Community Development Department, or his designee, be authorized to transfer \$23,000 in UDAG Miscellaneous Revenue Funds to the Barrio Action Youth & Family Center (\$10,000) and El Centro de Ayuda (\$13,000) to provide the aforementioned services.

I FURTHER MOVE that the General Manager of the Community Development Department, or his designee be requested to negotiate and execute agreements with Barrio Action Youth & Family Center and El Centro de Ayuda in the amounts not to exceed \$10,000 and \$13,000 respectively.

I FURTHER MOVE that the General Manager of the Community Development Department, or his designee be authorized to prepare necessary Controller Instructions to implement the intent of this motion.
