BUDGET & FINANCE

MOTION

The City of San Fernando is located in the northeast corner of the San Fernando Valley and is surrounded by the City of Los Angeles. The San Fernando Police Department (SFPD) was established to create a safe environment for the residents and visitors of the City of San Fernando. SFPD currently provides a variety of public safety services, including: 911 Emergency Dispatching; Criminal and Traffic Collision Investigation; Community Resources Management; Juvenile Diversion Programs; Neighborhood and Business Watches; and Drunk Driving Checkpoints.

The Office of Council District Thirteen (13) has received a request to donate two surplus Kawasaki 1000 police motorcycles. Donation of the police motorcycles will help SFPD train prospective motorcycle officers and maintain public safety throughout the City of San Fernando.

On November 28, 2006 (C.F. 04-1822), the Council adopted amendments to the Los Angeles Administrative Code (LAAC) Sec. 22.547 (Donation of Surplus City Equipment), including a provision to enable the sale of surplus equipment at less than current market value to police departments of neighboring cities whose borders are contiguous with the City of Los Angeles. Therefore, SFPD is eligible for this below market value sale of surplus equipment, and there are no other unfilled requests at this time for this type of equipment.

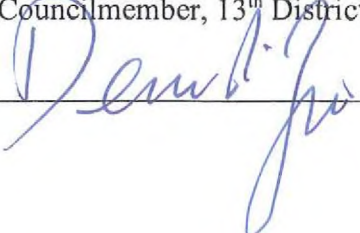

I THEREFORE MOVE that the City Council:

1. Find that the San Fernando Police Department (SFPD) is eligible to purchase two Kawasaki 1000 police motorcycles at below market value (\$1.00, each) in accordance with LAAC Sec. 22.547 (Donation of Surplus City Equipment), as amended by the Council on November 28, 2006 (C.F. 04-1822), inasmuch as SFPD is a police department of a neighboring city whose border is contiguous with the City of Los Angeles.
2. Request the City Attorney to expedite preparation of the appropriate documents to effectuate the sale and transfer of the above identified surplus equipment at below market value to SFPD.
3. Instruct the City Clerk to inform SFPD [Robert R. Ordelleide, Chief of Police, 910 First Street, San Fernando, CA 91340, (818) 898-1267] that the surplus equipment must be claimed within 60 days from the date of Council approval of the request at which time it will revert to the City's surplus equipment pool for disposal by the Department of General Services.
