Dear Honorable Councilmembers Bonin, Koretz, Huizar, Martinez, Ryu ,

The Brentwood Community Council (“BCC”) is the broadest based Brentwood community organization, representing approximately 50,000 stakeholders of the 90049 community. BCC includes 13 homeowners associations, multi-family residential dwellers, business organizations, schools, religious groups, volunteer service groups, public safety and environmental organizations.

The BCC supports Councilmember Bonin’s motion directing the Department of Transportation and City Attorney to review the current policy limiting the issuance of parking violation citations to food truck vendors and to report the feasibility of implementing a graduated fines for repeat violators. We think graduated fines for repeat violators represents a reasonable way to insure compliance with parking laws and increase public safety.

Thank you for your consideration.

Sincerely,

Larry Watts
