Dear Friends,

Thank you for your gift of \$20.00 to Doctors Without Borders/Médecins Sans Frontières (MSF) for our emergency response to the devastating earthquake that struck Haiti. We want to let you know, for tax purposes, your gift was received before March 1, 2010.

With your support, Doctors Without Borders has treated more than 41,000 patients and performed 3,400 surgeries at Doctors Without Borders locations in Port-au-Prince. We are providing surgical and emergency medical care, addressing the post-operative needs of our patients including rehabilitation, physiotherapy and mental health, and distributing tents, blankets, and hygiene and cooking kits to people still displaced or lacking sufficient shelter.

We anticipate that we will spend over \$75M in Haiti in 2010 on post-operative follow-up and ongoing care, distribution of relief items, and rebuilding of health care facilities. All contributions for Haiti are being used to fund our essential medical response there. Doctors Without Borders has worked in Haiti since 1991.

Our immediate response would not have been possible without the support of our donors. Please visit our website at www.doctorswithoutborders.org for more information on the Haiti relief effort and other projects.

Every day our field staff use their skills and commitment to bring medical care to those who desperately need it. Thank you again for your generosity.

Very Gratefully Yours,

Sophie Delaunay
