Los Angeles, CA 90065

Dear Ms. Taylor,

Thank you very much for your April 23, 2010 gift of \*\$10.00 to Kids In Sports (KIS). Your personal contribution allows us to provide sports programs to Los Angeles county youth in some of Los Angeles' poorest neighborhoods.

Kids In Sports delivers sports programs at 13 locations throughout the greater Los Angeles area. Since its inception in 1994, KIS provides access to safe and fun after-school experiences for more than 8,200 school-age boys and girls. Each KIS Sports Club runs a variety of programs year-round including basketball, baseball, softball, T-ball, soccer, volleyball, swimming, and lacrosse. Over two thousand girls are playing in leagues of their own through KIS Clubs.

Now in its sixteenth year, KIS continues to be a vital part of evening and weekend enrichment opportunities. Many former participants are now the new generation of volunteers who serve as coaches, officials, and community leaders. Please visit our website at [www.kidsinsportsla.org](http://www.kidsinsportsla.org) to learn more about the experiences of our participants and volunteers.

Thank you, again, for your support and commitment to our youth.

Sincerely,
