Dear Michael,

Thank you so much for your participation in The Saban Free Clinic's 13<sup>th</sup> Annual Extravaganza for the Senses. Held July 17, 2010 at Sunset Gower Studios in Hollywood, the event was a success, due in large part to the amazing support of restaurants like yours. Great food is always integral to guests enjoying the evening, and we received wonderful feedback about all of the restaurants. Together, we entertained over 1500 people with a night of fantastic food, wine and socializing under the stars, while raising much-needed funds for the Clinic.

We are always seeking feedback from our participants and have enclosed a quick survey asking you to share your thoughts with us. We would greatly appreciate you faxing it back to 323-658-5072 so we can continue to improve our vendor experience.

In accordance with IRS regulations, this letter is not only a grateful acknowledgement of your generous donation of 1500 servings of food, it is also an official receipt and formal recognition that you received no goods or services in return for your contribution, making the donation tax-deductible to the fullest extent of the law. The Clinic's tax-identification number is 95-2539105.

The Extravaganza for the Senses funds the important work of The Saban Free Clinic. With five facilities in Los Angeles, the Clinic offers free, quality health care and human services to those in our community who need them most. With your help, the Clinic is able to keep our doors open, and our services free.

Thank you again for helping to make the 13<sup>th</sup> Annual Extravaganza for the Senses a great success. See you next year!

Best Regards,
