Dear Rick,

Thank you so much for your being a part of our PLAY charity event on Sunday, July 18, 2010, "***Come P.L.A.Y. in the Jungle III.***" P.L.A.Y. (Providing Laughter and Amusement to Youth) is dedicated to donating toys, books and games to children in hospitals, shelters and community centers, thereby bringing laughter and amusement to youth facing difficult circumstances in their day-to-day lives.

This spectacular event took place on Sunday, July 18, 2010 from 2:00pm to 8:00pm an exotic private estate in Santa Susana, California. Our goal was to offer event guests an experience beyond their wildest imagination and I believe we attained it! With jungle-themed performers, exotic animals, henna tattoo artists, a casino, elephant and camel rides, hot air balloon rides and many more jaw-dropping surprises, "***Come P.L.A.Y. in the Jungle III***" was unlike any other charity event to precede it.

Your hard work and commitment to this charitable event has truly paid off since we have had so much amazing feedback from all of our guests! Your passion and commitment to this charitable event has helped to create "buzz" and excitement, create a valuable introduction to an influential group of guests, and most importantly, support an extremely worthy cause. You can find out more on www.playforkids.org.

Thank you.

Best Regards,

Kristin Ziazie
