Dear Ms. Taylor,

On behalf of the homeless children we serve, thank you for your donation of \$160.00.

At this time of the year, we are so grateful for the many friends like you who give hope and encouragement to the thousands of children in Southern California who are without a home. Our students get up every day not knowing where they'll sleep that night, not knowing if they'll get enough food, not knowing if they will be humiliated at school because they are homeless. But their courage and resilience are remarkable. They do not give up easily. They remain hopeful and continue to believe in possibilities. It is this courage that inspires us to help them succeed in their number one job as a child: going to school and learning.

On behalf of the homeless children we serve with your support and encouragement, thank you again. May the peace, love and joy of the holiday season strengthen all of our children, families and communities.

Kind regards,

Catherine Meek
Executive Director
