Re: *Howard Hughes Center Vesting Tentative Tract Map, Case # ENV-2008-3887*

NOTICE OF INTENT TO FILE CEQA PETITION

To the City of Los Angeles,

Please take notice, pursuant to California Public Resources Code Section 21167.5, that my client, Ballona Ecosystem Education Project, intends to file a petition under the California Environmental Quality Act, challenging the approval of the tentative tract map for the above described project through a mitigated negative declaration on the grounds that the approval does not comply with CEQA.

Respectfully,

Brian Acree
