April 5, 2010

Re: Wireless Telecommunications Ordinance  
City Council File No. 08-2440

The Del Rey Homeowners and Neighbors Association respectfully recommends, with the City Attorney's guidance and consistent with his recommendations, that the City of Los Angeles enact a comprehensive new ordinance with clear and consistent standards and procedures regulating all wireless telecommunications facility in the City, authorizing regulation of aesthetics and providing protection to communities and residential neighborhoods to the full extent of the law.

Very truly yours,

Del Rey Homeowners & Neighbors Association
