RE: CF 09-2645; PWC Mtg. 5/9/12, Agenda Item 7  
Revision to AGF Ordinance

Dear Chairman Reyes, Vice-Chair Huizar, and Councilmember Englander:

The Brentwood Community Council ("BCC") is the broadest-based Brentwood community organization.<sup>1</sup> This letter follows on the above-referenced Public Works Committee meeting regarding the long-awaited revision to the City's AGF ordinance.

As you know, the Los Angeles community has been waiting for action on this item for many months. It is our understanding that Assistant City Attorney Ted Jordan's recommendation is to have the Council direct the City Attorney to draft an ordinance for consideration by the Council, consistent with Mr. Jordan's previous report and testimony to the Public Works and PLUM Committees. We strongly support this recommendation, and encourage you to move the item swiftly to City Council for its vote.

Sincerely,

Nancy Freedman  
BCC Chair

---

<sup>1</sup> The Brentwood Community Council represents approximately 50,000 stakeholders of the 90049 community, including homeowner associations, multi-family residential dwellers, business organizations, schools, religious groups, volunteer service groups, public safety, and environmental organizations.
