Re: DIR 2009 – 1885 (RV) (PA1)

Liquor Bank 3600 Stocker Street

Dear Mr. Fargo,

In support of being a homeowner in the area, the Liquor Bank has been an unwelcoming situation to our community. It did not start off this way, but through the years it has declined and bring about undesirables.

I feel it is a danger to our neighborhood by the fact of what type of people that use the facility as a hangout. These people sell and use drugs and this is not healthy for our community.

My desire as a homeowner is to bring more suitable venues to the area and not further detract from progress that can be made.

Thank you for your consideration in this matter.

Revocation of Conditional Use Permit, for Liquor Bank

RE: Council File No. 10-0130 / DIR 2009-1885 (RV) (PA2)
The Liquor Bank 3600 Stocker Street

Dear Msrs. Huizar and Harris-Dawson:

I am writing on behalf of SUTRO AVENUE BLOCK CLUB in the Leimert Park neighborhood of South Los Angeles to express our opposition to the continued operation of The Liquor Bank, located at 3600 Stocker Street, Los Angeles, CA 90008, based on our observations and belief that the business imperils the health and safety of the community.

It is our understanding that the owner has failed to adequately address the undesirable activities the business attracts (e.g., loitering, littering, illegal vending, harassment of passersby, disturbances, public consumption of alcohol and use of marijuana, among other illicit activities) despite requests over many years from city officials and community stakeholders. We deserve businesses that respect and support our right to the peaceful enjoyment of our community, not ones that diminish our quality of life.

For the foregoing reasons, we ask that Liquor Bank's license be revoked.

Sincerely,
Diane Robertson
President
Sutro Avenue Block Club
