SUMMARY

In a report to the Mayor and Council dated April 23, 2010 (attached to the Council file), the CAO states that the Police Department requests authority to accept the 2009 Anti-Human Trafficking Task Force Recovery Act Program grant in the amount of \$375,000. The CAO reports that this grant will reimburse the City for 70 percent of the cost of one Management Analyst currently employed and funded by the Department, in addition to other expenses relating to the Human Trafficking Task Force.

The CAO goes on to report that the Los Angeles Metropolitan Task Force on Human Trafficking is a collaborative task force led by the Police Department which brings together various federal and state agencies, and a number of victim and social service organizations with the goal of identifying victims and convicting persons engaged in severe forms of human trafficking. In accordance with the grant agreement, the Police Department will sub-award \$120,000 to CAST, a service organization dedicated to providing human trafficking victims comprehensive long-term services which include social and legal services, outreach, and training.

On March 2, 2010, the Board of Police Commissioners approved the Police Department's request to accept the grant award. The CAO concurs with the action taken by the Board.

At its meeting held April 26, 2010, the Public Safety Committee recommended that Council approve the CAO's recommendations relative to the 2009 Anti-Human Trafficking Task Force Recovery Act Program grant award, as recommended by the Board of Police Commissioners.
