Subject: Urgent: correction for CAD doc. for Sept. 28 Arts, Park, Health and Aging Committee

Dear Committee members,

Please note that in the Sept. 20, 2010 Report from the Cultural Affairs General Manager regarding community arts centers, there is an error on p. 5.

http://clkrep.lacity.org/online/docs/2010/10-0773_MISC_09-20-2010.pdf

The report lists the organization "Art in the Park" in Hermon in the Arroyo Seco Park as located in CD 1. Neither this park nor the off-site office of Art in the Park is located in CD 1.

The park and the off-site office are located in CD 14.

Please have the report reflect this correction. Thank you.
