Dear Mr. White,

For Inclusion in C.F. 10-0982: Increasing Dog and Cat Limits

I respectfully urge the passing of proposed legislation to increase the 3 dog and 3 cat limit to 5 dog and 5 cat limit. Santa Monica and San Diego City have no cat limit. San Diego County allows 6 dogs and unlimited indoor cats.

I think that Los Angeles is behind the times; we need to increase the dog and cat limit. We must improve our save rate for dogs and cats in Los Angeles. This would be a positive step in that direction.

Thank you.

Dear Mr. White:

I am demanding that the dog and cat limits be inceased from three to five. That is; the limits per household should be increased by two cats and two dogs.

I want my letter to be part of the public record, file number 10-0982.

This will greatly give save the lives of an incredible number of animals.

Sincerely,

Suzanne Matthews

Dear Mr. John White,

Please include/attach my message to the record.

Please increase the number of pets allowed in a household from three to five. This simple act will hugely increase the number of shelter animals rescued each year and bring much more joy and stress relief to Californians. If there is not a cap on the number of human children we can choose to care for then there should certainly not be a cap on pets. Thank You, Elizabeth Johansen 90016

The greatness of a nation and its moral progress can be judged by the way its animals are treated. - Gandhi, Indian spiritual leader

All the arguments to prove human superiority cannot shatter this hard fact: in suffering, the animals are our equals.- Peter Singer, Australian author, Animal Liberation.

The Bible contains six admonishments to homosexuals and 362 admonishments to heterosexuals. This does not mean that God does not love heterosexuals. They just need more supervision.
