Comments to Energy and Environment Agenda No. 1 CFI 10-1191 Christina Noonan

We object to this appointment.

Ms. Noonan appears to have a background in Real Estate, not Utilities. We do not find that this appointment would be wise considering that the sale of the DWP headquarters has been presented by Austin Beutner, who is connected to hundreds of companies through his investments.

The Council needs to take responsibility to see that the assets of the City are managed efficiently and wisely and not rubber-stamp appointments to those not qualified to serve the Citizens of Los Angeles.

Ms. Noonan has served on the Board of Los Angeles Convention Center Commissioners. That experience is not Public Utility related.
