## REQUEST FOR REPORT BACK

On December 5, 2017, the Planning and Land Use Management (PLUM) Committee considered oral reports from the Department of City Planning (DCP) and City Attorney relative to a draft Ordinance amending the Los Angeles Municipal Code to allow for discretionary approval of Certified Farmers' Markets in Residential (R) zones and to permit by right the operation of Certified Farmers' Markets in the Agricultural (A), Commercial (C), Manufacturing (M) and Parking (P) zones, including modifications to the draft Ordinance as previously approved by the Planning and Land Use Management Committee on October 3, 2017.

During the discussion, the PLUM Committee continued the matter and requested the City Attorney and DCP to report back on:

1. the feasibility of including Farmers' Markets as by right uses in residential zones; and,
2. a mechanism for relief that is not as burdensome as a Zoning Administrator review process, or the steps needed to develop a new process, to allow for minor modifications on the operation of individual Farmers' Markets, such as change of hours on a case by case basis.

Please prepare a written response as requested by the PLUM Committee. In your response, please reference Council file No. 10-1832. When this matter is scheduled for Committee consideration, your attendance, or that of your designee, is respectfully requested. If you have questions, please contact me at (213) 978-1074 or [zina.cheng@lacity.org](mailto:zina.cheng@lacity.org).

Thank you,

Zina Cheng  
Deputy City Clerk  
Planning and Land Use Management Committee
